To the BMX department: Correction UCI BMX ranking

Dear Sir, Madam,

The next UCI BMX ranking will be published on Tuesday 15th May 2012. In this ranking you will notice that some of the riders scored extra points which do not relate to recent races.

Since the start of the Olympic qualification on 6th May 2010, riders who scored a DNS (did not start) twice in a UCI BMX Supercross World Cup or the UCI BMX World Championships were scored as DSQ (disqualified) and did not receive ranking points in the UCI ranking. This principle is not according to UCI regulations and will be corrected for the concerned riders (see attached on the next page)

We apologise for the confusion this may have caused in the past and we are confident that with this correction, the rulebook is adhered to correctly for all riders.

Yours faithfully,
