Combination Rules: UCI Rule 6.1.012

If classes are undersubscribed both Championships and Challenge can be combined during UCI registered races on the following basis:

- The organiser announces in the technical guide and in their communication towards National Federations and riders the combination of classes.
- The results are split in two separate classes based on the results summary.
- Riders get the ranking points that correspond with the place in the separate results.
- The riders are awarded the prize money that correspond with the place in the separate results
- ① Series ranking points for 1st to 8th in the Class correspond with the overall place in the separate results based on the entered class.

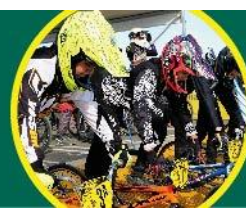

For Probikx, Champbikx and Challenge in the case of a tie at the end of the series, the tie will be resolved as follows:

- First in favour of the rider who earned the most first place finishes in the series
- Then, if a tie still remains, in favour of the rider who earned the most second place finishes in the series – and so on

NATIONAL CHALLENGE SERIES PARAMETERS

- The 2017 BMXA National Challenge Series is for 20" Classes for 17-29 Men, 17+ Women and Masters (30 & over Men) with age determination being 2017 (year of competition rule) minus Year of Birth.
- The National Challenge Series is being run with two key objectives:
 1. To provide high level, exciting competition under quality conditions.
 2. To give amateur riders the opportunity to compete in a National Series.
- The 2017 BMXA National Challenge Series will be run in conjunction with the Australian rounds of the Champbikx / Probikx and UCI BMX Ranking Series (for Junior and Elite Men and Women).
- Each National Challenge Series Round will be run as a block in conjunction with the Champbikx and Probikx classes within the various events.
- A condition of entry is that riders use the Official Series number plate. This plate will be issued free to all riders at the first round of the series that they enter and must be used for all subsequent rounds. Replacement of a lost or "left at home" plate will be at a cost of \$20 to the rider.
- Moto transfer per UCI BMX rules Annex 1.
- Rider seeding to the motos for Round 1 (Nerang) will be a random seeding process. All other rounds (Round 2 - 4) riders will be seeded based on overall series points. If a rider only enters from round 2 or beyond they will be randomly seeded for the first round entered.
- Transponder based electronic lap timing is used for all rounds of the series.
- It is the rider's responsibility to ensure that the transponder is correctly fitted to their bike per UCI BMX Rule 6.1.039.b Any rider who starts in a heat without a transponder shall be scored as Did Not Finish per UCI BMX Rule 6.1.039.b.
- Where the race organiser provides/hires transponders for electronic lap timing they must be returned to the race organiser at the conclusion of the event. Failure to do so will incur a cost to the rider of \$150 plus costs.
- Rider choice of starting lane will be in accordance with the principals in UCI Rule 6.1.029bis, i.e. The gate starting positions for motos shall be determined according to UCI BMX Rules annex 2. The gate starting positions during the qualifiers (1/16, 1/8, 1/4 and 1/2 finals depending on the number of participants) and the final shall be determined by:
 - A. By seeding determined by lap time from the previous round (fastest rider has the first choice on the gate)
 - B. By the finish placing from the previous round (first placed rider has first choice on gate).
- A minimum of 5 riders per class is required. Where classes are combined to make minimum numbers, series points and prize money will be awarded per UCI Rule 6.1.012.
- For a class with 8 or less riders, except for the last placed rider as determined by accumulated points following the motos, the rest transfer to a dead man final
