Welcome at the new cycling venue of KWC Kampen! | Round 3 & 4 on april 30 and may 1

Welcome at the new cycling venue of KWC Kampen

It's a short sentence to start with, but it took a lot of time and energy to realise a venue like this. More than 13 years ago, it began with a question from the municipality of Kampen if KWC was willing to move. This was for KWC the perfect moment to say a resounding yes on that.

More than 13 years ago, KWC also organized an EC round and we came to the conclusion that the riders number grew in this kind of competition, which was very nice in itself for the Euro Matches, but also provide concerns regarding how we should organize this on the old location with too little space. With the question do you want to move, direct plans were made and wish lists were submitted to the board. KWC saw the opportunity to get more out of this movement by performing a lot of work by ourselves so we could realise all the things on the wish lists.

During the past year a lot of work has been done by volunteers to make this happen. KWC is proud that so many volunteers have signed up for all types of work. The experience previously gained by organizing Indoor Championship rounds in Zwolle, we want to use it for this European Championship rounds in Kampen and expand this to organize European Championship rounds in the Netherlands in the near future.

KWC and Kampen are proud of the cycling center, where next to BMX other cycling sports can be held.
