UCI BMX SUMMER GAMES

ROUNDS 3 & 4

BMX Club Circuit Zolder Belgium
AUG. 04/05 2012

BMX Club Circuit Zolder

BMX Club Circuit Zolder has the honor to invite you on its race track in Zolder for rounds 3 & 4 of the 2012 UEC BMX Summer Games on the 4th & 5th of August 2012.

Circuit Zolder, the only race track in Flanders, finds its roots in the late 1950's and has been the scene for various milestones ever since. The entire range of motorsports has been present on the circuit, and some of them still are. The

highlights were the multiple Formula 1 Grand Prix' that have been held. In the late 1960's, Belgian and World Championships Cycling have already been organized at Circuit Zolder. So you can see that close to the automotive part there is a cycling-unit at our Race-Track.

Since 2008 Circuit Zolder has founded a new BMX club named after the racetrack. Since the sport has been recognized by the Olympic Committee it has been booming in Europe. Our track "the Lotto BMX-track" is 400 m long and is equipped with a pro-section (since 2010). For the organization of the European Championships in 2011 we fitted our largest corners with a tarmac layer. This brought "the Lotto BMX-track" to a whole new level and made it a top track in the EU.

Existing 3 years, BMX Club Circuit Zolder is already the biggest club in Belgium with 180 active members and numbers are still going up. The rise in memberships can be linked to the organization of several national and international BMX events. In the past few years we have organized: Top competition BMX, Province Championships of Limburg, the Belgian Championships BMX and the European Championships BMX.

The UEC BMX Summer Games

After organizing the Summerrace in 2008 the UEC decided there had to come a second edition. Now, 4 years later 2 BMX Clubs and the UEC joined forces to organize the second (though renewed) version of this International European Cup. The UEC BMX Summer Games were born! Competition will take place in two consecutive weekends, at 2 beautiful tracks: The European Championship track in Zolder and the top France track in Lille.

Starting in Lille with rounds 1 and 2, the UCI level 5 races continue with the final rounds 3 and 4 in Zolder. This top event, that precedes the London Olympic Games, will welcome all the top pilots of Europe. Everybody starting from 6 years old can participate.

Heusden-Zolder

Heusden-Zolder is a municipality located in the Belgian province Limburg near Hasselt. We have a population of 31.875 and the total area is 53,23 km².

Heusden-Zolder was the result of the merger of the two former municipalities of Heusden and Zolder in 1977. During the 1960's Belgian coal mines faced an enormous shortage of employees. To address this problem, foreign

laborers were encouraged to immigrate and work near the mines. In 1992 the last mine in the BENELUX located at Zolder closed his doors. Besides the mines, Heusden-Zolder has a beautiful nature. Several forests, lakes and castles can be found in the area. The wetland "De Wijers" is certainly worth a visit, as are the castles "Meylandt" and "Vogelsanck".

If you want to discover Heusden-Zolder in summertime, the UEC BMX Summer Games are a great opportunity! *For more information about Heusden-Zolder click on the next link: www.heusden-zolder.be*
